✈️ AVIATION Courses

Aviation courses offer a wide range of career pathways, including aircraft design, engineering, maintenance, flying, airport Operations, aviation management and hospitality. As India's aviation sector continues to grow, the need for skilled professionals across technical and non-technical roles is also increasing. Students should choose a course based on their eligibility, regulatory requirements, training structure, interests and career goals.

✈️ AME CET

AME CET is a common entrance, scholarship and counselling examination for students seeking admission to participating aviation colleges, universities and institutes across India. It provides access to a range of aviation pathways, including licence, engineering, degree, diploma and certification programmes. Qualified students may also receive merit-based scholarships of up to 100%, based on their AME CET All India Rank and applicable scholarship terms.

Aviation courses provides various job roles in the aviation industry such as :

- ✈️ Pilot
- ✈️ Aircraft Maintenance Engineer
- ✈️ Aeronautical Engineer
- ✈️ Aerospace Engineer
- ✈️ Aircraft Design Engineer
- ✈️ Cabin Crew
- ✈️ Ground Staff
- ✈️ Airport Manager
- ✈️ Aviation Industry Manager

AME CET Scholarship (Awarded by UDAI AVIATION)

Rank	Maximum Students	Scholarships on Tuition Fees	Maximum Scholarship in INR

ELIGIBILITY Criteria

Category	Courses	Approval	Qualification
License	Pilot	DGCA	12th with PCM
	AME (DGCA)	DGCA	12th with PCM
	AME (EASA)	EASA	10th
Engineering	Aeronautical Engineering	AICTE	12th with PCM / PCB*
	Aerospace Engineering	AICTE	12th with PCM / PCB*
Graduation	BBA in Aviation	UGC	12th with any stream
	B.Sc Aeronautical	UGC	12th with PCM
	B.Sc in AME	UGC	12th with PCM
	B.Sc in Aviation	UGC	12th with PCM
Diploma	AME	AICTE	10th
	Aeronautical Engineering	AICTE	10th
	Aerospace Engineering	AICTE	10th
Certification	Cabin Crew	Skill India, Self Approval	12th with any stream
	Air Hostess	Skill India, Self Approval	12th with any stream
	Ground Staff	Skill India, Self Approval	12th with any stream
	Airport Management	Skill India, Self Approval	12th with any stream

* Admission subject to clearing one Additional Mathematics Paper.

Career Opportunities in Aviation

The aviation and aerospace ecosystem offers career opportunities across airlines, airports, aircraft maintenance, manufacturing, engineering, training, research and aviation-support services. Career opportunities depend on the candidate's qualification, licence or certification, skills, experience and the recruitment requirements of individual employers.

Placement Sectors

- National and International Carrier
- Aviation Training Centers
- Aircraft Manufacturing Companies
- Maintenance, Repair and Overhauls (MRO)
- Aircraft Part Manufacturing Companies
- Aircraft Operational Organizations Flying
- Ministry of Civil Aviation
- Civil Defence
- NASA
- Forces
- ISRO
- DRDO
- Industries
- Clubs
- Boeing
- Airbus
- Airlines
- Airport
- DGCA
- And many more
